Baton Rouge, LA 70884-2135****Dear Mr. Coltrain:**

On behalf of Johns Manville International (JMI), ERM EnviroClean-Southwest, LLC (ERM) is writing to notify the Louisiana Department of Environmental Quality (LDEQ) of planned collection and disposal of asbestos containing material along the stormwater ditch on River Road at JMI's warehouse in Marrero, Louisiana.

ERM plans to begin the collection and disposal of these materials in Marrero on December 9, 1997. The activities include raking, collecting and legally disposing of exposed asbestos containing material that is visible in the stormwater ditch along River Road. In addition, one area has been designated for minor excavation in order to remove the ACM. Attached is the completed Notification of Demolition and Renovation Form filled out by our subcontractor, Environmental Abatement Services, Incorporated of Baton Rouge, Louisiana.

If you have any questions concerning these maintenance activities, please do not hesitate to call.

Sincerely,

ERM-EnviroClean-Southwest, LLC
